The screenshot shows the main interface of the National Development Bank's online student service system. At the top, it displays the bank's name and logo. Below that, there is a navigation menu with various options like '我的首页', '贷款申请流程', '贷款申请', etc. The main content area contains a list of instructions for users, including steps for logging in, selecting loan types, and providing personal information. There are also links to help documents and a '支付宝使用说明' (Alipay Usage Instructions) link. The bottom of the page features a copyright notice and contact information.
